

Bring your group party, company get together or any other special event you can think of and leave the rest for us. You'll be delight with the outcome.

If you're planning a romantic break, Dreamland Hotel & Resort will make it one you'll never forget.

The romance starts as soon as you arrive. You may want to celebrate your anniversary, make a good impression, or just whisk your loved one away for a spot of relaxation. Whatever the reason, we'll go out of our way to make your special weekend extra special.

We understand how important a romantic escape is. You want everything to be just right. For your evening added pleasure, we can arrange a B.B.Q. of your choice complemented with a campfire.

If you are planning to mix business with pleasure, we've got what you are looking for. Our conference hall can accommodate up to 150 participants. It is full equipped with state-of-the-art presentation materials that you may need including direct Internet access.
